Date of Inspection Statement	29 March 2017

The organisation has provided corrective and preventative actions in response to the inspection report. These have been reviewed by the GCP Inspectorate and are considered acceptable. This inspection can be considered closed.

In summary:

There was one “major” finding identified during this inspection relating to Informed Consent.

The factual matter contained in the GCP Inspection Report relates only to those things that the Inspection team saw and heard during the inspection process. The GCP Inspection Report and Inspection Statement are not to be taken as implying a satisfactory state of affairs in documentation, premises, equipment, personnel or procedures not examined on this occasion.

Statement Issued by:

Michael McGuinness, BSc (Hons)
GLP & GCP Inspector
UK GLP Monitoring Authority & MHRA
